DIAMOND IN THE ROUGH! Rarely available and renovation ready!! This home has good structural bones but needs a total remodel. Great way to get into a single family home in the 700's in the highly sought after Ewa Villages. This home is just waiting to be brought back to life. 4 bedrooms and 2 bathrooms on a corner lot with a rock wall. Huge carport for any and all cars, boats or toys. Close to golf course, medical centers and beaches and just minutes away from H-1 freeway and the new Kamakana'ali'i shopping mall. We do have 2 separate contractor bids that will bring this home up to anyone's standards including new kitchen, bathrooms, flooring, appliances, fixtures and landscaping for \$70K.
